## **PRICES AND TERMS**

All prices are F.O.B. Waukesha, Wisconsin, subject to freight allowance described below, and to change without notice. Cash discount 2% 10th Prox on the net amount of the merchandise invoiced during the previous month.

Reservations on buyer's orders are not binding and acceptance of shipment by buyer will be construed as waiver of such stipulations. Changes or cancellations of orders by buyer are subject to our approval and not effective until written acceptance is issued by us. Written permission must be secured prior to returning new Jacks or Attachments to the factory for credit or exchange. If authorized, such shipments must be prepaid and are subject to a 10% handling charge.

Orders are accepted only upon basis of prices and terms as shown on this price list.

## **DIRECT SHIPMENTS**

Drop shipments will be made upon order at no extra charge and transportation will be allowed provided a 100 pound shipment is made.

## **FREIGHT ALLOWANCE**

We allow lowest tariff freight rate on shipment of Jacks, Attachments and Hydraulic Jack Oil to any point in the United States provided the total weight of shipment is 100 pounds or more. Rescue equipment may be combined with Hein-Werner Push and Pull Jacks to make required weight. We deduct freight allowance from the invoice.

## **GUARANTEE**

All Hein-Werner Rescue Kits and Attachments, except hose and chain, are guaranteed against defective material or workmanship for 90 days from date of original sale to user. Jacks claimed defective should be sent prepaid to nearest Hein-Werner Official Service Station for inspection. A full and complete explanation of the complaint, and proof of purchase date, must accompany the Jack. Attachments should be returned prepaid to factory and if found defective will be replaced at no charge. Guarantee does not cover Jacks or Attachments worn out in service, damaged by overloading, accident, or use of improper oil.
